Below is a scan image of a ticket for the 2016-17 event. 400 tickets were printed; however, only about 135 were sold. 14 were given out as complimentary (4 for cork & cap top sales, 8 to D. Filipponi for wine donation to our events, and 2 to WasteManagement for donating a dumpster) The second bundle of 200 tickets was not even opened. This year was untypical compared to many past years. The venue holds 256 people (32 tables @ 8 each). This year we seated about 148 people. Unknown why it was so lightly attended. Club members didn't do a good job selling tickets either, with only 19 members selling tickets (see 2017 Crab Feed Log spreadsheet).
