### Newcastle Trails

Newcastle Trails was founded in 1999 by Newcastle citizens who saw the need to preserve community trails and open space.

Newcastle Trails is a 501(c)3 not-for-profit volunteer organization focused on the preservation, expansion, and maintenance of trails within the City of Newcastle, Washington.

The organization recommends trail routes, identifies priorities, and maintains a registry of volunteers to assist the City in trail work.

They also maintain a list of Trails, a Trail Map, and a Trail Guide. They offer a Trail Book, a Newcastle-Cougar Map showing regional trails and projects, an experimental Trail Planner, and a Planner Guide.
