## Rotary Opens Opportunities

### Renton School District: Adjusting to COVID-19

Dr. Damien Pattenaude

Our Superintendent, Dr. Pattenaude, has been conferring with teachers, parents, community partners and Renton School District students directly since the outbreak of this pandemic. With his direction, teachers and staff have been implementing appropriate needs-responsive accommodations for our diverse student body. He will describe how the District is providing guidance for online instruction in addition to providing lunch service, counseling, career, and other services as well. He will also share Governor Inslee's most recent health guidelines for schools and tell us the implications these have for continuing online instruction and/or reopening some or all schools in Renton.

Renton Schools Foundation, RSF, partners with the Renton School District to help ensure all students have access to enriching experiences and the tools they need for learning success.

#### Meeting Agenda
