## Renton Downtown Partnership

Kim Unti & Jessie Kotarski

The mission of the Renton Downtown Partnership (RDP) is to cultivate a vibrant social, cultural, and economic center by bringing together the community, non-profits and city center stakeholders while celebrating the unique historic character of Renton's Downtown.

What makes RDP truly unique is that it is an organization capable of bridging the gaps between businesses, property owners, residents, non-profits, and visitors to the downtown area. Renton has long had a deep sense of community, and the residents and companies that call it home display a deep sense of civic pride. RDP exists to funnel these forces towards revitalizing and improving our century-old downtown into a unique, vibrant, and diverse commercial center.

If you are interested in attending a meeting or getting involved in Committee support, please contact the Renton Downtown Partnership at [RDP@gorenton.com](mailto:RDP@gorenton.com)
