Serve to Change Lives

Gloryland Mission – Inua Mama Project: Empowering Women

Pauline Kamanja, fellow Renton Rotarian, is back from Kenya where the second and third phases of Rotary-supported training for homeless women took place.

Recall, our club in combination with the Rotary Clubs of Ballard and Kirkland, with the support of a District 5030 Matching Grant, was able to sponsor much needed training for homeless women in Kenya.

The aim of the training was to help these women develop life altering skills (a sense of personal resiliency, health practices, basic financial knowledge) that would equip them to live independently away from situations they fled.

Situations in which they were often abused, so much so that the only option was to flee, often leaving them homeless with no help to support their children.

Gloryland Mission the parent organization of Inua Mana worked in partnership the internationally recognized organization LEFI which was originally established to address female mutilation (Let's End Fistula Initiative) and has since broadened its scope to include a wide range of empowering trainings for women.

Pauline will share with us the objectives that were accomplished using the effective training of trainers model followed:

- The number of trainers who received training.
- The work that these trainers are able to continue.
- Stories of impact
- What is next.

July Birthdays

LeAnne Moss -12th, Jay Leviton 21st, Jim Sullivan -24th

Looking forward to another year of Rotarians in Action

Please reach out to express your interest in Committee Work and Service Projects.

Together we create life-changing differences in the world.

ROTARY FOUR WAY TEST:

Of the things we think, say, or do:

1) *Is it the TRUTH?*

2) *Is it FAIR to all concerned?*

3) *Will it build GOODWILL and BETTER FRIEND-SHIPS?*

4) *Will it be BENEFICIAL to all concerned?*
