Meet Ike and Mamie for the First Time: A virtual Tour.

Eisenhower Presidential Library
Abilene, KS

I Like Ike... and Mamie Too!

With guide, Dawn Hammatt, leading our virtual exploration, we will visit the campus and see exhibits at the Eisenhower Presidential Library. One of 15 Presidential Libraries operated by the [National Archives and Records Administration](#), it is dedicated to promoting understanding of the presidency and the American experience. Presidential libraries preserve and provide access to historical materials, support research, and create interactive programs and exhibits that educate and inspire. Public programs and exhibits at the Eisenhower Presidential Library are made possible in part through the generous support of the [Eisenhower Foundation](#). To learn more, visit [eisenhowerlibrary.gov](#).

Dawn Hammatt, Director of the Eisenhower Presidential Library Museum, has been working in the museum field her entire career predominantly in New Orleans for local, state, and private organizations. She has overseen disaster recovery efforts following two natural disasters. Her work, chiefly in collections management and administration, has always focused on safety and security of the holdings. Prior to taking her current role in 2016, Dawn managed the design and fabrication of a new 22,000-square-foot exhibition at the Mississippi Arts and Entertainment Experience.
