PEOPLE IN ACTION

ZOOM MEETING

Welcome Washington Business Week Coordinator Andrea Keikkala.

The Renton School District has just made a huge investment for all high school students ages 14-18 to attend Washington Business Week virtual camp this year. They are covering the entire cost of tuition! Students will learn so much about business, ethics, team building and hear from amazing speakers. Andrea asks that our Rotary group spread the word about this opportunity to the youth you serve in this age range. She will give us the details of this fantastic opportunity for our high school students. She is also looking for quality mentors to interface with student companies of 6 to 8 students.
