### Governor's July Message

Sally and I wish to welcome everyone to the new Rotary year.

It always amazes me that an organization can change its presidents and its officers once a year. Just think, 35,000 clubs including 530 districts changing their leadership. The power of Rotary is exemplified by the great people we have as members.

As we start the year, one of the District objectives is to take advantage of technology and I want to share with you a few changes that are happening.

First item: The newsletter. With more and more information being provided the newsletter proliferated in size. The newsletter was beautiful, and we need to acknowledge the great work that Carma McKay did working on the newsletter. But with more information it was becoming very time intensive to produce.

After consultation and following the path of Rotary International the District decided to use a format which allows a greater ease of time management. This is the first issue.

The newsletter will come out once a week on Tuesday so keep an eye in your inbox. The first week of the month will be dedicated to District and Rotary International news. The second week will be dedicated to Club news. The 3rd week will be dedicated for Foundation information and news and the 4th week will be dedicated for up and coming events which will allow members to plan for the next month activities.

Carma McKay is the Districts PR coordinator so please forward all club information to her at: [carmamckay@gmail.com](mailto:carmamckay@gmail.com)

Second item: Traffic. We are all aware of the traffic problems around Seattle, so the District has embraced new technology and has purchased Zoom for the clubs to use. Zoom is an online communication platform that allows you to collaborate face to face with a group of people while sitting in front of your computer or using your cell phone, in other words you don't have to spend an hour in traffic just to go to an hour meeting.

Finally, I wish to share with you the District goals for the up and coming year. I call it **Gimme 5**.

- 5% Increase in membership
- 5% Reduction of Rotarians Leaving
- 5 members on the membership committee
- 5% Increase in the Rotary Foundation
- 5% Direct given to the Foundation

I continue to be in awe with the Family of Rotary. From helping a fellow Rotarian in need or the heartfelt loss with the passing of Steve Crane.

Take time this summer to enjoy not only your family but the family of Rotary. I look forward in meeting everybody when I visit the clubs.

Yours in Rotary,

Bill McElroy

### Steve Crane

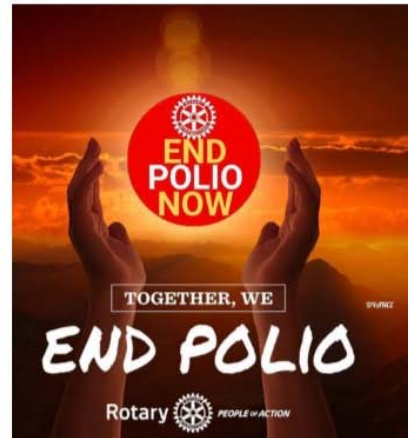

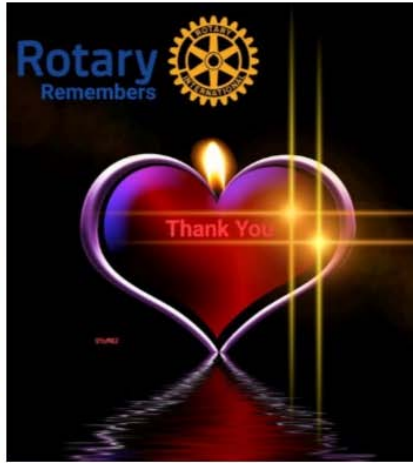

In Remembrance

Stephen G. Crane

◆ Steve was, without a doubt, one of our best polio advocates in the Rotary world. His passion and his spirit will be deeply missed. I will miss his friendship. ◆  
John Mathews, Rotary International Vice President

◆ Steve was a friend, a terrific Rotarian, and a tireless advocate for the eradication of polio and elimination of malaria. His ability to accomplish so much, to be so engaged, in spite of his disability was inspirational to all of us that worked with him. Losing Steve is a huge loss to our community and the causes about which he cared so much. ◆

## New Rotary club models enhance connections

Rotary's new strategic plan is underpinned by four key priorities to increase our impact, expand our reach, enhance participant engagement, and increase our ability to adapt. The emergence of new club models is evidence that Rotary clubs and districts are working actively to advance these priorities.

## Zoom - How to Schedule a Meeting

Zoom is a cloud based service which provides simple online meetings, content sharing, and video conferencing capability. You do not need a Zoom account to attend a Zoom meeting. If you are interested in holding a Zoom meeting with your club you will need to assign a person within your club to be the host. They will need to sign in using the Districts ID and Password. ([Carma McKay](#) has that information.)

If you need help - there are videos you can find by searching the internet. This one is on how to set up a Zoom meeting.
