Back at the Heathman, and that means

Tuesday, July 13, 2021

It means meeting face to face again. It means greeting each other and meeting our guests. It means having all the side conversations that mean so much to an in-person gathering.

It also means that our dues must go back up from the temporary level we've enjoyed when we were meeting only by Zoom. It's to cover the cost of the room, the equipment, and the breakfast. You'll be getting your first quarter invoices soon. Thank you for getting your payments to Michelle by your preferred method.

Did you know your bank or credit union online banking may have a bill payer option to which you can add your Rotary dues payment? It sure is handy to not have to think about making that payment.

We've previously enjoyed having offsite meetings at Tidewater Cove Marina during the annual boat show. It won't be long now before there is another attraction down by the river.

The Cove Restaurant overlooking the marina is nearing completion (just to the right of the photo). Mark says there will be great meeting spaces, as you can imagine if you've been with us when we've met there.

Mark is going to take us on a tour of the facility for our meeting Friday, July 16, 7 a.m. The location is at 5731 S.E. Columbia Way. You could also walk there from Wintler Park, if you've a mind to take an early morning stroll.

The Cove Restaurant overlooks Tidewater Cove Marina at 5731 S.E. Columbia Way. The finished project will include underground parking, a 5,700-square-foot dining room and bar on the main floor, and a 4,500-square-foot event space above.

The main dining room will seat 128 guests, with an additional 62 seats at the bar, and an outside patio will serve 68 people. The private dining area will accommodate 80 guests, along with two outdoor patios that seat 60 guests each. Fire pits will dot the outdoor spaces. The space is designed to provide a good view regardless of where you sit.

The food and drink program resembles The Hammond Kitchen & Craft Bar, with some riverside additions. Chef Dylan Reisch, of The Hammond, will run the food program, offering steaks, chops, pasta and starters. Menu options for those with particular dietary restrictions (vegan, gluten-free, dairy-free) will be marked with symbols on the menu.

We're on the water, so we want to focus on really high-quality seafood, said George Goodrich. The Cove will also have an eight-seat raw bar featuring seafood (like oysters) and sushi.

If you can't make it in person, tune in on Zoom:

Are you ready to Hike to Defeat ALS?

Tuesday, July 13, 2021

You've conquered the 5 kilometers from Wendy the Welder to Kafiex Roasters on the Waterfront on behalf of the ALS Society. Are you prepared to take it up a notch?

The ALS Society, which benefits from the Walk to Defeat ALS we completed May 15, is having another ambulatory fundraiser. It's the Hike to Defeat ALS, September 18, 2021, at Silver Falls State Park.

There are two lengths to test your mettle: 7.2 miles, and a half-marathon distance of 13.1 miles. There is also a three-mile, family friendly, paved hike that is suitable for strollers and power mobility equipment.

The ALS Society asked that all participants over the age of 11 raise \$150 or more. We should be able to do that.

A number of your fellow Schaffers Striders/Vancouver Sunrise Rotarians have indicated they'd like to do it. If you would like to join them, visit HikeToDefeatALS.org to register.

What's your Rotary story?

Touches Your Heart
Inspires You
Makes You Feel Alive!

Do you have a Rotary story to tell? District 5100 this year is having a Rotary Story Slam. We're all invited to present our Rotary stories to our club, and perhaps at the District 5100 conference next May in Seaside.

Check out the video about this event. Be advised, though. The RotaryStorySlam.com mentioned in the video doesn't appear to be activated yet. But stay tuned. We'll keep you informed.
