## A damp but beautiful Hike to Defeat ALS

Tuesday, September 21, 2021

Our Schaffers Striders team was small, but mighty last Saturday at Silver Falls State Park. The rain kept quite a few away, and the downpour early in the morning kept our Fab Five under shelter until the precipitation moderated.

We all did the shortest distance, three-some miles, depending on who's counting. We crossed the river behind both South Silver Falls and Lower South Silver Falls.

More importantly, Schaffers Striders raised \$3,205 to contribute toward the Oregon and SW Washington Chapter of The ALS Association's \$57,568 total for the event.

It was fun, and we're looking forward to the next challenge.

There are a few photos on the next page.

## The Rotary Areas of Focus

Tuesday, September 21, 2021

On Oct. 1, we will have a discussion that will, we hope, chart an important course for us over the next few years. At our 7 a.m. meeting at Heathman Lodge, we will be discussing the organization of and priorities for our club's foundation.

The Rotary Club of Vancouver Sunrise Foundation is the 501(c)3 non-profit that handles our tax-deductible contributions for projects and grants. It has grown substantially this year, and its governance needs to match.

At this meeting, we will devote a club assembly to the foundation. The discussion will include our priorities for projects and contributions we make from it.

The Trustees of The Rotary Foundation have identified seven areas of focus for Rotary International's own grant structure. These areas reflect critical humanitarian issues and needs that Rotarians are addressing worldwide. They will align Rotary with other international development efforts and will strategically further the Foundation's mission. As a starting point, we will be considering these. Please review an explanation of these areas (adapted from the Rotary Club of San Francisco-Chinatown) by clicking on [Read More](#) below.

We hope you'll join us in person. We will NOT be having a Zoom Channel for this meeting.
