SERVE TO CHANGE LIVES

Guest Speaker - Simon Hadley is with the Lake Oswego Rowing Club and was our guest speaker. He is from New Zealand and was Head Rowing Coach and the University of California, Los Angeles. He discussed how challenging it is to be a child now with obesity, physical and mental challenges with Covid. Children are playing less baseball, basketball, football and hockey. Lake Oswego Rowing Club would like to help build a better community and be a leader in the community addressing Youth Health and Fitness. They have a 95% retention of rowers, 130 new rowers introduced over our summer camps, will be meeting with local rowing clubs, Lake Oswego School District, City of Lake Oswego, local youth organizations and various corporations. They will be hosting the city's first every rowing regatta and preparing to build a community hub. They have goals also for a bigger boathouse and are looking for sponsors. Thanks Simon.

The Camas Washougal Rotary Club organizes the Ducky Derby and hosts a ticket sales booth at various community events. You can also purchase them from members.

Ducky Derby is our Rotary Club's primary annual fundraiser. For each \$10 ticket you have a chance to win \$1,500 grand prize. The funds we raise from the sale of Ducky Derby tickets support our efforts to fund a wide spectrum of
