SERVE TO CHANGE LIVES

Susan Stohl was our "Get To Know Our Rotarian". She is a Residential Realtor with Windemere Real Estate. She discussed the current market and what is causing the inventory shortage. She identified lack of new construction, seniors aging in place, interest rates at historic lows which make purchasing cheaper and more attractive than renting, millennials entering the homeownership market, and COVID has changed home preferences. Susan has been married to her husband since she was 23 years old, has a BA from Tufts University and an MBA from UC Berkeley. She traded Equities and Foreign Exchange in San Francisco for 17 years before moving to Portland. She has been a Realtor for 8 years.

Willamette Rotaract

Our featured speaker today was Mikayla Moore who is the current Willamette Rotaract Club President. She has been a District 5100 Rotaract Representative, Membership Committee Member and Interact Advisor. Rotaract clubs bring together people 18 years and older to exchange ideas with leaders in the community, develop leadership and professional skills and have fun through service. She attended the Rotary International Convention in Hamburg Germany a couple years ago which she briefly discussed how she has Rotary colleagues all over the world now and how much she learned from that experience. Rotaract has done a monthly can and bottle drive, clean up event at George Rogers Park, Soles 4 Souls shoe drive, and volunteered at Embrace Compassion at Pearl Street Urban Farm. We thank Mikayla for all her hard work and dedication the last several years. She introduced the 2021-2022 Club President who will be Casey Manley.
