WHO CALLED US TO ORDER:

**Our President -
Nell Diamond!**

- *Is it the Truth?*
- *Is it Fair to all
Concerned?*
- *Will it Build Goodwill and
Better Friendships?*

Kevin Costello led us with the Pledge of Allegiance. Kevin is a native of the Sand Francisco Bay Area who graduated from Santa Clara University. He moved up to Oregon over 30 years ago. He and his wife have been married for over 45 years, they have 3 children who live in London, Washington DC and Oregon. He is a Residential Realtor with the Hasson Company. Kevin is also (like me) a San Francisco 49ers Fan! He is also a Paul Harris Fellow!

Kevin discussed:

1. Power – What happens when someone or group has too much of it.
2. Women - He challenged us to help more women get into business, politics and religion and what that looks like.
3. Kevin discussed the song “What the World Needs Now” by Burt Bacharach and how poignant that song is even though it was written almost 50 years.

Featured Speaker: Dave Hunt

Children's Safety Levy

Introduction by: Robin Christian

Our guest speaker was Dave Hunt who was introduced by Robin Christian. Dave is a lobbyist and government relations professional. He served 5 terms representing Clackamas County in the Oregon House of Representatives including service as the Majority Leader and Speaker of the House. He helped pass the historic 2009 Jobs and Transportation Act, expanded Healthy Kids Insurance to 90,000 uninsured children and 30,000 low-income adults and passed record investments in community college facilities. Dave is an elected member of the Clackamas Community College Board, past President of the Oregon City Rotary Club and past national president of American Baptist Churches, USA. He and his wife Tonia have two children, Andrew and Emily.

Dave discussed a proposed levy program in Clackamas County that would fund critical services for children regarding abuse and neglect. Monies from this would help with emergency shelters, domestic violence, trafficking and sexual assault. This would be a 5 year levy for Clackamas property owners and would cost an average of \$45 per year. Our President, Nell Diamond, also reflected on her experience of how an important a program like this can impact those who need it the most.

One example was how Lake Oswego Schools have participated in this program. Whether at work, home or discussing politics we can do this through the 4-way test!
