A Special Guest Speaker Joe Crenshaw District 5100 Governor 2020/2021

Our current District Governor visited and greeted members via Zoom. She emphasized her priorities as a DG. The current year Rotary theme, "Rotary Opens Opportunities", speaks to engaging Rotarians in opening up opportunities for the community to improve their lives. We do this through supporting education, supporting the youth with jobs, and building bridges to their future.

With the current environment, Rotarians can open up opportunities online. New opportunities that were not available/seen before. Rotary Conference, and the District Conference were both done virtually. More of us are connecting to remote people and building new friendships. More focus on brand building and leadership. Joe wants to focus on team building through training online.

"There is no playbook for what we're going through", so enjoy the ride. Joe has been to our Lobster Feed in the past, and she missed it this year.
