- *Will it be Beneficial to All Concerned?*

- =====

Dan Meyers

## Dan Meyers Active Rotarian A proud Grandfather

Dan, married to Judith for 40 years, has been a member of the Community Service Committee in our club for 10 years. Led several signature activities for the club, including serving lunch to seniors, the Holiday Basket project, Farmers Market, and so many others. With a Paul Harris Fellow under his belt, Dan has been an exemplary Rotarian and a proud member of the Lake Oswego Rotary Club.

Dan has been in the textile business, serving specialty fabric used mainly by athletes. His business has been negatively impacted by Covid-19. The textile industry has been in the decline in the US for decades, and it's been difficult to bring young talent to it, said Dan.

Judith and Dan have two married girls who are in the education field. Their 3 grandchildren "bring joy to their lives".

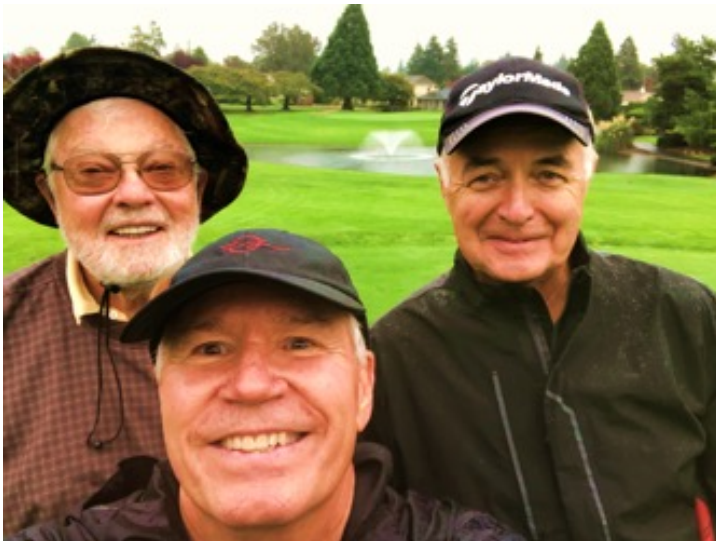

Dan says, he enjoys Rotary where everyone is sharing a calling of empathy and act of kindness.

Great to have you, Dan, as a member of our club and our community.

## Announcements

A very successful Cans & Bottles collection by Willamette Rotaract.

Next collection date is October 17<sup>th</sup>. Save your cans & bottles

Rotarians are enjoying Golf during the remaining few sunny days in Oregon.

Contact Malcolm Mathes, if you want to join this great activity, and enjoy the company of your fellow Rotarians

# Featured Speaker

## Mitch Magenheimer

**M**itch, current president (3<sup>rd</sup> time) of the Rotary Club of Molalla, spoke to the incredible community effort in fighting the fires that burned the edges of the town of Molalla, and inflicted painful losses for some residents.

Residents lost homes, barns, animal feed, and other valuables that may or may not be covered by insurance. The club of Molalla, as well as the community church, are doing what's possible to respond to the immediate needs, and needs that cannot wait for other relief.

The community used whatever resources they could gather to fight the fires and prevent them from consuming animals, and valuables. They helped elderly residents, sheltered animals, and responded with water and other necessities.

Our club has committed \$7,000+, through the Allocation committee, to help with the relief effort. Members who are interested in donating can go to [www.lorotary.org](http://www.lorotary.org) and donate directly.

Below are some images from the town of Molalla during those difficult days.
