Vocational Award Presentation and Program
Burley CEO Mike Coughlin

President's Message: July 21, 2021

I attended the District quarterly Global Grant meeting via Zoom Saturday morning. I learned a lot and am glad I did so. There were three grants approved by the group: one a water project in southern Mexico; one in eastern Kenya that would teach the populace to plant and tend fruit trees so school children would have a more diverse diet; and the one that was most impressive; coordinated and presented by our own Larry Rhodes dedicated to saving lives of women and babies in Uganda by providing prenatal, birthing, and postnatal care to women there. It's an understatement to say that Larry continues to do us proud.

Thursday's meeting is our presentation of our Vocational Award to two who have done so much to make our scholarship program successful. Looking forward to seeing you then (Please remember to RSVP).

Jerry

A GREAT ANNOUNCEMENT!

By Larry Rhodes on Wednesday, August 5, 2020

We are announcing the opportunity for club members to participate in teams that will be going to Uganda in January.

As you know, Rotary Club of Eugene Airport has been working with the Eugene Downtown Club on an important international project to establish maternal and child health services in rural communities that have no medical resources. We have also undertaken a major project to repair broken well pumps and pipes restoring water to 32 communities serving thousands of people.

(P.E. Bart receiving his African name, in September 2018)

The teams will have opportunities to see firsthand the impact of these and other Rotary projects. One of the two teams will include medical doctors, nurses, and support staff to provide medical assistance to communities served by the Rural Health Team, our partners in the Maternal & Child Health project.

We will assemble in Entebbe/Kampala on January 29. We recommend you stay for two weeks, but can accommodate an earlier return if necessary. The cost on-the-ground for food, lodging, and transit runs about \$800 a week; you arrange your own air travel. The group is coordinated by Larry Rhodes (larryrhodes@gmail.com). Please let Larry know your interest and you will be invited to planning meetings before any further commitment is needed.
