### From the Prez

***Our 2020-2021 vision is to foster fellowship and connections, to be a team of involved and engaged members in local and world community service projects, to build continuity for multiple fiscal years in regard to the signature project and world projects, and to be innovative and creative while we adjust to turbulent times.***

I hope everyone is enjoying some nice summer weather. The Claric Crew has had fun in the sun with sprinklers and popsicles! At last week's meeting, we learned about Travel Lane County with Andy Vobora. He gave an overview of their organization's efforts to promote Lane County throughout the state during normal times and how they have adapted to promoting Lane County to Lane County residents during the pandemic. I was impressed with their creativity and support to our local businesses and residents! This week, we will hear from Dan Buckwald, John Lebow, and Phil Groshong from Veterans Legacy. See you on Thursday via Zoom!

President Nicole

## A Glimpse at Last Week!

Thanks to Andy Vobora for sharing about Travel Lane County!!

Travel Lane County markets Lane County as "Eugene, Cascades & Coast." We are a private, nonprofit association funded by partner support and transient room tax generated at lodging facilities and campgrounds.

Our mission is to increase overnight stays within the county. As partners with business, civic, government and community groups, including our 600+ members, we provide visitors with extensive services and resources to ensure a quality visitor experience within Lane County.

Travel Lane County staff, its members and partners are committed to providing locals and visitors the Oregon experience. We recognize our industry thrives when visitors return and when they share their positive experiences with family and friends who become inspired to visit the Eugene, Cascades & Coast region.

Our partners benefit from unique and collective advertising and marketing opportunities with targeted exposure to area visitors.

Travel Lane County is comprised of a dedicated management team, with longevity in the industry; an advisory board of regional business leaders volunteering their time and insight; a friendly and professional front-line staff at our visitor center.
