#### **This WEEK @ RCEA!**

Dylan Robichaud ♦ chief meteorologist for KEZI

#### **President♦s Message: August 11, 2021**

WE ARE BACK AT THE AIRPORT AGAIN, STARTING THIS WEEK

Breakfast at 7 a.m. and back to our regular meeting start time ♦ 7:30 a.m.

We are called the Rotary Club of Eugene Airport and we are back to truth in advertising. Don♦t forget your mask as they are required as you pass through the terminal. This week♦s program is Dylan Robichaud ♦ chief meteorologist for KEZI. Don♦t shoot the piano-player ♦ he simply reports the weather, he doesn♦t make it.

Our Every Rotarian Every Year party is still scheduled for Saturday, August 21, starting at 5:30 p.m. Family and friends are definitely invited. This picnic is always potluck and we might expect a sign-up sheet to make sure we don♦t end up with a table of potato salad and nothing else.

We can♦t serve the public without our fundraisers and we raise the lion♦s share of that in just 7 days by moving beer at U of O games. Take a look at your calendar and volunteer as many times as you can as we are a small club taking on a pretty ambitious task. Game start times are not yet set but the dates are Sept. 4, 18, 25, Oct. 15, 30, Nov. 13, and 27. Mary Ellen will be at our meeting with sign-up sheets.

Looking forward to seeing you Thursday.

## Your Club at Work around the World!

World Service Committee  
August 9, 2021

1. **Navajo Nation Solar project** This is last year's district grant. We were unable to do the project because the Nation remains closed due to Covid. The Navajo Nation received a very large infrastructure grant from the Federal government that will enable completion of the project. The district gave approval to do another project given the circumstances. It must be completed including final report by Dec. 31, 2021. We submitted, and received approval of, a grant to supply the Rural Health Team Uganda with Personal Protective Equipment (PPE) and other equipment to help address their Covid-related needs.

### 2. GG Maternal & Child Health Care Grant with RC Eugene (Phase I).

Project is still ramping up; training of Village Health volunteers has been completed, training of traditional birthing assistants is beginning this week; and today marks the beginning of patient services under the grant.

### 3. GG2126821 Mobile Medical Vehicle to expand access to maternal & child care (Phase II)

This is the SVRGC Grant for the year 2021/2022. We meet on zoom with the Tororo Club tomorrow to see if there are final issues before submittal for D9211 Review (Uganda's district).

**4. Tororo WASH Project** repairing deep wells in the 4 sub-counties where the Maternal & Child Health Projects are taking place. There is no progress, because of their Covid lockdown. Last FY, RC Eugene Airport donated \$1,000 for one well. We are doing this project with Anthill Foundation and the Rotary Clubs of Eugene, Eugene Emerald, Vancouver Sunrise, and the Rotaract Club of Petaluma Valley.

**5. Medical Team District Grant for FY21/22** Deadline for submittal was June 1. Waiting for approval from the district.

Clinician and supervisor of the building of a clinic at Kalait/Amololo is Patrick Opio. He and his motorcycle being carried across the river'
