This WEEK @ RCEA!

Member Bio: Larry Rhodes

New Member Installation!

President's Message: August 18, 2021

Our return to the Airport continues. Don't forget to RSVP Bob is out of town and I am responsible for letting Misty at the Airport know how many of us she has to feed whether it be full breakfast, or just coffee. Also, don't forget to RSVP to Phil about his party on the 28th. Let him know how many are coming from your household and what dish you hope to bring.

In 2012 ShelterBox became Rotary International's first Project Partner and remains our only disaster relief charity. I got a reminder from our DG that the Haiti disaster is what ShelterBox was born for. As casualties reaches into the thousands, many more are homeless as a storm bears down on them. ShelterBox is sending a response team to the Caribbean region, but they need our help. You can offer your support at <https://www.shelterboxusa.org/2021-haiti-earthquake>.

See you Thursday
