#### *Strength In Numbers*

The pandemic has had the same effect on our club as it has on so many other clubs. We lost a number of members and, if we are to find the same success in our many projects, we need to make membership a priority in this rebuilding year. Our ARF Auction and our U of O fundraising are good examples of the need to be a club large enough to support these ambitious projects.

We have gained one new member and two other new members are pending. I feel sure there are many other individuals in our social networks who would like to share our Rotary adventure. Give this some thought. Who do you know that, like you, want to make a difference? Talk to that person about Rotary and invite him/her to a meeting or to one of our service projects. I will bring more brochures to this upcoming meeting take a couple to have on hand.

Don't forget to RSVP. This week we have food again.

Jerry

Please note that there is a 3% transaction fee (this is a discount fee structure for non-profits - businesses incur 5%). Some people consider the fee as the cost of doing business and some people choose to donate a little more to offset the fee.
