From the Prez

Our 2020-2021 vision is to foster fellowship and connections, to be a team of involved and engaged members in local and world community service projects, to build continuity for multiple fiscal years in regard to the signature project and world projects, and to be innovative and creative while we adjust to turbulent times.

From the Prez

Happy fall! This is one of my favorite times of the year. Even though this year looks very different, I am amazed at the creativity and ingenuity to find alternatives and solutions. One example is our coffee dates outside on Thursday mornings after the club meeting. It's not the same as being able to see everyone and participate in our meetings; however, it is a great opportunity for fellowship. I am thankful that someone made the suggestion and someone else said created the opportunity. Another example was honoring Dale and Jennifer Hartley with Vocational Awards at our last meeting. Luke was hoping to do the presentation back in April and then the world went sideways. However, our program last week was a lovely tribute to two amazing and deserving people. Those are just two examples in our club but think about all the Rotarians throughout the world coming up with creative ways to deal with these challenging times. That's Rotary! We brainstorm, offer ideas, find solutions, and follow through! I am excited for this week's meeting and will see you on Thursday via Zoom.
