This WEEK @ RCEA!

Maria Kalnbach

UO Peer Advisors to Veterans in Education

From the President

This week's meeting will include the return of Student of the Month, honoring high school students who have distinguished themselves among their peers. This is another substantiation of the Airport Rotary's commitment to youth and education.

This is a **bye** week for the Ducks (and they need it), so we won't be schlepping beer this week. The next home game is a Friday game (October 15) when the Ducks hosts California. Check your calendar to see if you can help then or in subsequent games. I have a concern that the Club may be relying on just one small group of intrepid volunteers to make this fundraiser successful. There is an opportunity to raise even more on October 19th and 20th. We'll need to discuss whether we have the capacity to do that.

Don't forget to keep possible program ideas in mind. There are two spots open for the month of December and I think January is open. Consult with Elliott if you have a possible presentation.

Don't forget to RSVP. See you Thursday.
Jerry

RBN Spotlight on Doug James and TechnaPrint

By Bill Grile

In 1905, Paul Harris launched Rotary to leverage friendships and build ethical business relationships. He knew doing this would strengthen businesses as well as communities. The Rotary Business Network aims to do likewise. This week we salute Doug James and TechnaPrint.

Doug is Past President of Eugene Rotary Club where he serves today as its membership chair. He champions The Rotary Foundation and is a multiple Paul Harris Fellow. TechnaPrint is a locally owned and operated company that has been in business for over 30 years. Student of the Month Program

STUDENT OF THE MONTH

BETHEL SCHOOL DISTRICT!

We have chosen Miguel Toledo as Student of the month for October. He will be bringing a guest. The guest's name is Joel Toledo, his younger brother. He has given me permission to have his name placed on a name plate for the Miss Bindergarten goes to Kindergarten books.

I am excited to see that our Kalapuya students are still involved in this great opportunity.

Robyn Thompson

Our Willamette High School Student Of the Month is Cassandra Martinez Pesero.

Cassie is hard-working, dedicated student who has gone above and beyond to serve others and achieve her goals of going to college. She applied and was awarded an ECMC scholarship and is active within that community to learn more about college. In terms of community service, Cassie applied to and was awarded a grant through elevate Lane County to work with community partners to serve her community. She collaborated with Centro Latinoamericano and WHS bilingual students to launch a phone bank to educate Latino community members about COVID vaccine clinics. Cassie is also organizing and running Latinos Unidos this year and the Vinyl Appreciation Club. She wants to study business so that she can be an accountant or run her own business someday.
