This WEEK @ RCEA!

Club Bio: Elliott Braaten

From the President

October 24 is World Polio Day. The two countries that still contain a spark of the disease is Afghanistan (no cases detected since February) and Pakistan (5 cases detected). This is not the time to relax. Decades of gain can be reversed by that one small spark. Rotary is very proud to be an instrumental part of this success. We will do a short presentation this week to remind us of the importance of this historic mission. This week I signed into My Rotary and donated to the polio fund. Please consider joining me.

Our U of O fundraiser last Friday was a great success. We were selling so fast that we ran out of beer before the half-time was over. Our next gig is Saturday, October 30th when the Ducks play Colorado.

Looking forward to seeing you Thursday,

Jerry

Remember, the club has a non-profit business PayPal account; providing members (and anyone else) the option to pay/donate online! Please note that there is a 3% transaction fee (this is a discount fee structure for non-profits - businesses incur 5%). Some people consider the fee as the cost of doing business and some people choose to donate a little more to offset the fee. The PayPal email address to use for sending in Happy Dollars, dues, etc. is

World Polio Day on Monday October 24

Rotary has been working to eradicate polio for more than 35 years. Our goal of ridding the world of this disease is closer than ever.

As a founding partner of the [Global Polio Eradication Initiative](#), we've reduced polio cases by 99.9 percent since our first project to vaccinate children in the Philippines in 1979.

Rotary members have contributed more than \$2.1 billion and countless volunteer hours to protect nearly 3 billion children in 122 countries from this paralyzing disease. Rotary's advocacy efforts have played a role in decisions by governments to contribute more than \$10 billion to the effort.

Today, polio remains endemic only in Afghanistan and Pakistan. But it's crucial to continue working to keep other countries polio-free. If all eradication efforts stopped today, within 10 years, polio could paralyze as many as 200,000 children each year.

Have you made a donation to the Polio Plus fund?

STUDENT OF THE MONTH

ECCO

Madison Hinshaw a10th grader at ECCO is our ECCO Student of the Month!

Madison Hinshaw brings positive energy and enthusiasm through the door with her each and every day. She is a motivated, self-directed learner with a solid work ethic. Her kindness and willingness to help others make her an asset to any class. Madeline is currently maintaining an A average in school on top of being a loving and responsible parent to her young child. The joy and grace with which she juggles her many responsibilities is truly inspiring. Madeline Hinshaw is a remarkable young woman.
