This WEEK @ RCEA!

From President Jerry, 11-11-2021

Since Covid protocols are still in effect, meeting for a full-blown holiday party is problematic. The Board has decided that we will have some form of a party after all. We will have our party at our regular meeting time on December 23rd at the Airport. Our **◆program◆** will be a social, sharing food we bring (think cookies, etc.). There is still plenty of time to plan this, but maybe we can do some kind of organized activity. (and maybe wear ugly sweaters?).

Our partners at Sheltercare like the idea of some kind of Christmas celebration at the Keystone project and suggested the week of December 13th through 19th. We will request the \$500 being held by the District for our club for this purpose. More on this later.

We are ready to begin our corporate memberships and welcome our first associate member. To make this new program clearer, there will be a presentation December 9th detailing it. We hope to have a member joining the membership committee to do outreach to local businesses and institutions to promote this new program.

This week we make our shift from football to basketball for our fundraiser. It's important to make ourselves available for these games. The task will be easier but there are many more games and keeping a full work crew for each game is important. Watch for the sign-up sheets.

Don't forget to RSVP. Looking forward to seeing you Thursday.
Jerry

Assorted Levity for Your Rotary Week/Life

By Mike Corwin on Wednesday, October 27, 2021

Funny inspirational quotes to lift your mood:

◆ When your mother asks, ◆ Do you want a piece of advice? ◆ it is a mere formality. It doesn't matter if you answer yes or no. You're going to get it anyway. ◆ ◆ Erma Bombeck

◆ I want my children to have all the things I couldn't afford. Then I want to move in with them. ◆ ◆ Phyllis Diller

◆ Insomnia sharpens your math skills because you spend all night calculating how much sleep you'll get if you're able to fall asleep right now. ◆ ◆ Anonymous

◆ Breaking up is like knocking over a Coke machine. You can't do it in one push; you got to rock it back and forth a few times, and then it goes over. ◆ ◆ Jerry (Jerry Seinfeld), *Seinfeld*

"You know you've reached middle age when you're cautioned to slow down by your doctor, instead of by the police."
