They Do Exist!

My husband and I went through the McDonald's driveway window, and I gave the cashier a \$5 bill. Our total was \$4.25, so I also handed her 25c.

She said, “you gave me too much money.” I said, “Yes I know, but this way you can just give me a dollar back.”

She sighed and went to get the manager who asked me to repeat my request. I did so, and he handed me back the 25c, and said “We're sorry but we don't do that kind of thing.”

The cashier then proceeded to give me back 75 cents in change. Do not confuse the people at Mac D's.

I live in a semi-rural area.

We recently had a new neighbor call the local city council office to request the removal of the DEER CROSSING sign on our road.

Their reason: “Too many deer's are being hit by cars out here! I don't think this is a good place for them to be crossing anymore.”
