**Do You Know???**

Why are there interstate highways in Hawaii?  
 If a book about failures doesn't sell, is it a success?  
 If you're cross-eyed and have dyslexia, can you read all right?  
 If a turtle doesn't have a shell, is he homeless or naked?  
 Why is tuna sometimes called "tuna fish"? Chicken is never called a chicken bird".  
 If someone owns a piece of land, do they own it all the way to the center of the earth?

***The Rotary Foundation***

Since 1905, the Foundation has spent \$4 billion on life-changing, sustainable projects. With your help, we can make lives better in your community and around the world. Your donation makes a difference to those who need our help. More than 90% of donations go directly to supporting our service projects around the world. With donations like yours, we've wiped out 99.9% of polio cases.

**What impact can one donation have?**

- ♦ For as little as 60 cents, a child can be protected from polio.
- ♦ \$50 can provide clean water to help fight waterborne illness.
- ♦ \$500 can launch an antibullying campaign and create a safe environment for children.

He died last fry day. Thank God he wasn't beaten. Don't worry, he went over easy. He's now on the sunny side. He's definitely in a better plate.
