Rotary to the COVID Rescue

The Rotary Club of Eugene

The Rotary Club of Eugene joins other clubs in stepping up to serve people hardest hit by COVID-19. Club efforts include creatively retooling an existing program during the shutdown and giving generously to a range of other local and international efforts. The Coronavirus threatened to put Artspark, one of the Clubs signature programs on hold. The Club raised over \$70,000 to fund visiting artists in schools during this academic year. Leaders moved quickly to create an online program that will deliver remote art instruction and provide income to teaching artists in the community.

The Club also made multiple donations to local nonprofits to address the deep need in the community. Donations have included \$1,275 to Food for Lane County, \$1000 to Eugene Education Foundation to meet immediate household needs of families, and \$1000 to Centro Latino providing support to local immigrants. A grant of \$3000 was also made to Looking Glass is serving as an emergency shelter facility for children in the welfare system that cannot be placed with foster or adoptive families during the pandemic.

On the international front, the Clubs International Community Service Committee provided \$2,000 to the Tororo Rotary Club in Uganda. These funds will be used to facilitate coronavirus information initiatives.

District 5110

The 3,300 Rotary members in the 66 central and southern Oregon as well as northernmost California clubs have raised more than \$312,000 and invested thousands of volunteer hours to meet the hunger, safety and economic impacts of the Coronavirus pandemic. From producing and distributing masks and hand sanitizer to leveraging a Rotary grant more than ten times over, Rotary clubs are feeding and equipping the tireless medical community and first responders, assisting food banks, providing support for challenged businesses, school districts and senior centers.

Volunteer Surge

Rotarians and friends, family, and coworkers have a unique opportunity to recruit one million volunteers to reduce suffering and save lives during this crisis by participating in Volunteer Surge. Free online program that trains you to help professional healthcare workers from your home or in the field. Once trained, you can choose to apply your new skills by providing phone or online video support from your home or by assisting healthcare workers in the field. District 5110 Rotary Foundation Last Call

This Rotary year ends in just a few days. Please consider donating to The Rotary Foundation and or PolioPlus prior to July 1st. Currently we have saved 2526 lives in total giving, including the Annual Fund, PolioPlus, and the Endowment Fund. We are at 79% of our target of 3200 lives.

It has been a very unusual year, to say the least, but asking you to give as you are able, so that we can support our communities, both locally and globally as we have in the past. So many of our Rotarians have stepped up to provide masks, food, and other supplies needed during this global crisis. You have truly shown, what DG Rick calls the Heart of Rotary. Many clubs used Rotary special emergency funding to make those activities happen. That money comes from the generous donations of **Rotarians just like you.**
