## President's Message October 27th

We have some very talented and dedicated people in our Club that embody our Rotary motto "Service Above Self." Interacting with them is a special part of being the Club President. This weeks kudos go to Jeff Robinson and all of the ArtSpark group that will be putting on a virtual auction on December 4th. Jeff made a trip up the McKenzie to see the Holiday Fire's destruction first hand and was so moved by the experience, that he created a video that is truly excellent. I urge you all to look at it in it's entirety in this weeks bulletin (below). We will hear from Jeff a little at this weeks meeting about the experience and get an update on the Fire Fund.

Also coming up is very soon is the ArtSpark virtual auction that is highlighted in this weeks bulletin. We all need to support this effort and continue the success we have had providing Art to all the 4J elementary schools. We are truly making a difference to our local youth with this effort. So I would urge you all read about and then support this very worthwhile cause.

This weeks program will give a history of Oregon woman-suffrage activism and voting rights. It will be given by Eliza E. Canty-Jones who was the co-founder and served as President of the Oregon Women's History Consortium, which created the statewide centennial project, Century of Action: Oregon Women Vote, 1912-2012. It is yet another excellent program that we all should learn from. Please join us on Tuesday and invite a friend.

Best Regards,

Tom Gilmour

**October 27th Meeting. Woman Suffrage, Racism, and Civil Rights:**

## An Oregon Overview

This program will address Oregon woman-suffrage activism, including national context and with specific information about Black women's activism, the significance of Native sovereignty, and the impact of xenophobia and citizenship on women's voting rights.

Eliza E. Canty-Jones is Editor of the *Oregon Historical Quarterly* and Director of Community Engagement at the Oregon Historical Society. Eliza was co-founder and served as President of the Oregon Women's History Consortium, which created the statewide centennial project, Century of Action: Oregon Women Vote, 1912-2012.

White supremacy has been a central part of Oregon's history since before the state's founding, but Black, Indigenous, and other women of color have nevertheless provided leadership in the fights for full citizenship, including voting rights. From direct action at the ballot box in 1872 to a campaign to remove racist language from the state constitution in 2002, Black women in Oregon have taken bold actions to dismantle structures of oppression. This presentation will offer broad context for understanding Oregon's racist history as well as specific stories of the ways Black, Indigenous, and women of color have worked to envision and create an alternate future.

## Fire Relief Fund

Kindly view the video from Jeff Robinson with the sobering reality of the Holiday Farm

Fire creating an obvious call to Rotary to help. And Rotary is indeed stepping up. Both District 5110 and the Rotary Club of Eugene is preparing scenarios for helping. Plus how members can send funding in the easiest possible way. It's real step-up time to support our friends and neighbors up the river many with hardly anything left of what their lives were. Rotary to the Rescue is the call of the day. Stay tuned for the plan coming real soon.

## Motorcycle Dog

Cute video of a "man and his best friend." All those videos of dogs hanging outside of cars nose first for the smells. Can only image the amount of smell information this dog has. With great adventures for both.
