President's Message

If you notice my eyes wander from my I-pad during a meeting, I am not ignoring what is going on. It may be that I am watching hummingbirds at the feeder that is right outside our kitchen window. When I retired for good (the second time) and we moved to Oregon we started to travel even more than we had while I was still working. I have always loved the outdoors from a boyhood in Oregon, growing up hunting, fishing and camping. So many of our trips (Costa Rica, Africa, Argentina/Brazil, & Australia) have included viewing wildlife. Although I still fish, my hunting has turned to catching things with a camera. I got a nice point and shoot SRL many Christmases ago and I have used extensively. After our Costa Rica trip, toucans have become my favorite bird, and I get particular satisfaction photographing them. But photographing hummingbirds and whales jumping in Hawaii are by far the most difficult!! They just don't wait for you.

During 2020 with a lack of travelling, my hummingbird feeder has become a refuge and I find myself reading at the kitchen table just to catch the little visitors when they come to eat. I also do our Rotary meeting at the table, so if you see my eyes wandering, don't worry I will be back quickly as the little visitors are gone soon. Ravitej is running a great video I found on hummingbirds in this Bulletin, so take a look at it. You might learn something from it and share my feeling of joy for the tiniest of birds.

This weeks program will be all about the Oregon Community Foundation and it is yet another excellent program, that we will learn from. Please join us on Tuesday and invite a friend. Don't forget to join early for our social time from 1200-1215.

Best Regards,

Tom Gilmour

Fire Relief Fund Rebuilding in the Mud

Kindly view the video from Jeff Robinson with the sobering reality of the Holiday Farm Fire creating an obvious call to Rotary to help. Rotary is indeed stepping up. Both District 5110 and the Rotary Club of Eugene is helping. The real work now starts to support our friends and neighbors up the river many with hardly anything left of what their lives were and now deeply in mud the weather is bringing. Rotary to the Rescue is the call of the day. Visit the club website for links to helping the funding effort.

Conestoga Project Success!

4 out of 6 Conestoga Pods successfully completed. Next date early December contact Jerry Harris for date, time and place. And to stake out your place in this fun project. No prior experience needed building these simple but substantial shelters for the Homeless. Great been there and **DONE THAT** project.

Recovery Pantry up the McKenzie

In its effort to assist the survivors of the Holiday Farm Fire, McKenzie River Community Development Corp needs volunteers to work at the recovery pantry (aka McKenzie River Discovery Center Relief Station) which is located at the Old McKenzie Fish Hatchery at Leaburg Lake. (The McKenzie River Discovery Center, which is building an educational and interpretive center in addition to restoring the old buildings at the site, was our program a couple weeks back.) If you have interest and can give a little time, please call Gerri Astor at 646-437-0539. The pantry is open Tuesdays, Thursdays, and Saturdays from 10:00 a.m. to 4:00 p.m. with shifts generally being 3 hours each.

Hummingbirds

There is no other bird quite like a hummingbird -- amazing brain structures, how they control all their movements and remember things.
