President's Message

First of all I want to wish everyone a "Happy Holidays" wherever you are and however you celebrate. When I look back on my many Holiday celebrations over the years, in various locations (I don't recommend Greenland to anyone unless you like cold, snow and darkness), one place stands out and that is New York City. Our kids were all grade school age and it was a special place to be. It all started out with the Macy's Thanksgiving Day Parade which was spectacular to both kids and adults alike. Times Square was a 45 minute ferry and subway ride from Governors Island where we lived. The light and video screens at Times Square is a Holiday show unto itself. What else was close by?? the Rockefeller Center with it's Christmas tree, ice skating, and spectacular "Rockettes" Christmas show. Also FAO Schwartz toy store and the numerous store front windows lined the nearby streets. Many a hot chocolate was enjoyed by the Gilmours just watching the lights and free entertainment in Times Square.

But one special event was put on at Carnegie Hall by US Air Force band and sponsored by the USO during our last Holiday season in NYC. It was a November concert that honored Glen Miller, who was lost in a small plane over the Dover Straights going to arrange a holiday concert for the troops in a recently liberated Paris in December 1944. His "Big Band" sound was wonderful as were the "Singing Sergeants" doing songs that he would have done at that Paris concert. All of us were pumped up by that music. After that show, all of my kids wanted to play a musical instrument with no coercion from their parents! A special concert at a special place. For your enjoyment Ravi has added a USAF band concert (with the singing sergeants) done recently at Union Station in Washington DC. Please enjoy!

This week's program will be our annual Holiday party, put on virtually by the Jennifer Geller, Raquel Hecht and the Social Committee. Please join us on Tuesday for the virtual celebration and invite a friend. It will be a blast!! Don't forget to join early for our social time from 1200-1215.

Best Regards,

Tom Gilmour

Water Wells in Rural Uganda.

The Rotary Club of Eugene is raising \$20,000 to repair (not replace) up to 20 existing wells in 4 rural sub-counties of the Tororo District of Uganda as a separate but complimentary project to the club's global grant. We are collaborating with the Eugene Airport Rotary Club for this the first of two consecutive global grants in 2021 and 2022 to fund the maternal and child health project.

Clean water is essential for a community's health, and repair of these wells is important to the success of our Global Grant. Any contribution toward this effort will be much appreciated. Make checks payable to Eugene Rotary Charitable Trust and put ♦Tororo Water Project♦ in the memo line. Mail to

Fire Relief Fund Rebuilding in the Mud

Kindly view the video from Jeff Robinson with the sobering reality of the Holiday Farm Fire creating an obvious call to Rotary to help. Rotary is indeed stepping up. Both District 5110 and the Rotary Club of Eugene is helping. The real work now starts to support our friends and neighbors up the river many with hardly anything left of what their lives were and now deeply in mud the weather is bringing. Rotary to the Rescue is the call of the day. Visit the club website for links to helping the funding effort.
