Club of Eugene

President's Message

Club President Tom is out of town. Back to his duty home on the US East Coast for a wedding and family gathering. Tom had a fantastic career with the United States Coast Guard. As Captain of the Port of New York on Governors Island. And as a mover, decision maker and spokesperson in New York, Florida, Washington DC, The White House and the Pentagon. Tom retired as a Rear Admiral and returned to his beloved birthplace up the Mckenzie River. A man of the sea and the river too!

Raquel and PP Jennifer are capable hands to leave the ship to. And very soon Raquel takes over as the Eugene Rotary Club President 2021-22. Stay tuned!

June 1st Meeting Food for Lane County

With Tom Mulhern, Executive Director

Food for Land County is a community institution. And responsible for so very many people simply having food to eat. "Reducing hunger by engaging our community to create access to food." One of the best and most modeled food providers in the country. And a long time service project for the Rotary Club of Eugene. Welcome an old friend back to the Rotary Club as we start to emerge from the Covid lockdowns to get back to the business of feeding people.

June 8th Meeting Wildfire Recovery Report

Michael Morter with the state's Office of Emergency Management is presenting a snapshot of Oregon's 2020 Wildfires: Response/Recovery/Rebuilding.

As the state's Wildfire Recovery Ombudsman, Michael's primary responsibility is working with state and local agencies to identify and resolve issues in the built environment--planning, zoning, wetlands, floodplain, and building codes among others. Although assigned to the Office of Emergency Management, he reports directly to Matt Garrett, Director for Wildfire Recovery in Governor Brown's office.

Tune in to what happened and what is happening. And what the future looks like as we move into fire season again.

Videos of the fire damage.

First a couple videos of Blue River from the Oregonian and Oregon office of Wildfire Recovery.

The second the famous video from Jeff Robinson we have been running with the new added comment "Wow, that's a really solid video from Jeff" from Michael Morter, Oregon Office of Emergency Management.

Environmental Committee Celebrates June 5th

UN World Environment Day is June 5th! Let's celebrate by doing or planning something good for the environment.

The Eugene Rotary Environmental Committee is working hard on identifying local environmental projects we can all support. We were very inspired by the presentation with John Mathers, Co-Chair of the Rotary Climate Action Team. Rotarians worldwide have decided to take on the task of helping our environment. Time to roll up the sleeves. Stay tuned for some of the good choices we have found in Eugene. Or contact the Eugene Rotary Environmental Committee (EREC) to join or add suggestions on appropriate projects to take on.

Rotary Climate Action Team Video

Video presentaion by John Mather, Co-Chair of the Rotary Climate Action Team. Presented to Eugene Rotary on May 25th and recorded by Jerry Harris. Edited shorter to include just the presentation about RCAT. If you haven't seen this dynamic presentation please take this opportunity. And if you would like to view again as the Environmental Committee of Eugene Rotary readies a presentation of environmental projects that are a good fit for the club.

Rotary Club of Eugene

Rotary is an organization of business and professional leaders united worldwide who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world.

Rotary club membership represents a cross-section of the community's business and professional men and women. The world's Rotary clubs meet weekly and are nonpolitical, nonreligious, and open to all cultures, races, and creeds.

Rotary membership provides the opportunity to: Become connected to your community. Work with others in addressing community needs. Interact with other professionals in your community; assist with RI's international humanitarian service efforts. Establish contacts with an international network of professionals. Develop leadership skills. Involve family in promoting service efforts.
