Presidents' Message

Memorial Day. Remembering the people who have died while serving in US forces. We observe by visiting cemeteries, hosting family gatherings and observing parades. The tradition originated in the 1860s when Americans gave tribute in the springtime to the countless soldiers who sacrificed their lives during the Civil War. We must take this time to remember the commitment of our American population. That we are willing to sacrifice our lives and those of our children and grandchildren to uphold our values. Sometimes we may not agree with the political underpinnings of a particular war. But we are a united country, a society bound together by a social contract. We sometimes make difficult sacrifices in the pursuit of unity and to uphold what we perceive as our country's security. On this day, we should remember not only the brave men and women on the front lines but also all who participate as a member of this society to support the safety, unity and freedoms that we have achieved by being the United States of America.

The Rotary Foundation (TRF) Message

From the very first day as your District Governor, I continue to recommend a member donation of **\$26.50** to The Rotary Foundation (TRF). The amount of **\$26.50** was chosen because it was the first donation to The Rotary Foundation by the Rotary Club of Kansas City in 1917. *District 5110 DG Gerry Kosanovic*

Reach out to any member of your TRF Committee - Jay Silverman, Mike Ritchey or Dave Frosaker.
