President's Message

Hey Fellow Rotarians!

The days are long. We are humming along at Rotary. What more can I say? Life is good. I will borrow some words from Ravitej about the state of Rotary these days:

A note about how successful the last couple meetings were. The last one with the scholarships and the return of John Cox, who then laid down the gauntlet to fund a stand-up base for the one boy (Raven) in the group. Who will probably end up performing at the Shedd one day! It was like a party atmosphere last meeting. And this one with **Jim Ralph** bringing his **REEL MUSIC** and a **rather large group of performers** sounds like it's going to be party headquarters on the 20th. And the BBQ on Thursday. Eugene Rotary is breaking loose and partying down! Just for fun. The rewards of service.

Thanks Ravitej! The party continues on the 20th and I will look forward to seeing you all there! It's always a good time with the OFAM group. I am going to start the meeting early, so we have plenty of time to hear from them. Come early and get front row seats to the show!

See you then,
Raquel

ABOUT OREGON FESTIVAL OF AMERICAN MUSIC 2021

Before there was dialog, there was music. At first, perhaps, most practically, just to cover the awful racket of the projector; but more likely it has always been a psychological and emotional necessity, an essential part of telling the story, of sharing the feeling, of making the images, action and even spoken dialog when it finally came, truly real. REEL MUSIC is our contemplation of that. For 10 days of concerts, talks, and films, vibes & drum maestro, longtime Shedd Institute favorite, and Festival music director Chuck Redd and company invite you to explore and celebrate great moments and especially interesting dimensions of music in film. From the earliest days of ♦talking pictures♦ (1929-32) through the Golden Age (1933-60s) and beyond, from context color, source music and background filler to leitmotifs, themes and story-advancing songs♦and throwing in intriguing topics and insights along the way. We won♦t cover everything, but we♦ll touch on a lot!...and, of course, all with an especial focus on historic jazz and the Classic Songbook. Oregon Festival of American Music 2021: REEL MUSIC July 22-31, 2021 at The Shedd in Eugene.

Oregon Festival of American Music 2021 includes 7 evening and 6 matinee concerts, our annual mid-festival jazz party, films, and talks. Tickets are on sale now at The Shedd Institute Ticket Office at 541.434.7000 or 868 High Street, MF 9-6 pm and Sat 9-noon or online at www.theshedd.org/OFAM2021.

Eugene Rotary Environmental Committee News

The Rotary Club of Eugene s Environmental Committee members are working diligently to stand up this new Club Committee and network with other organizations to leverage Rotary s power to contribute positively to local, regional, national and planetary Environmental Sustainability efforts. To this end, the Committee reminds members that the City of Eugene will be presenting the City s Climate Action Plan (CAP) to our Club on September 28th. We also

want to notify members that Lane County is just beginning to develop their CAP and they are interested in providing Climate information to the public and eliciting Public Comment and input as they develop their Plan. Information on Lane County's CAP may be accessed at https://lanecounty.org/government/county_departments/public_works/climateplan. The County is also asking residents to complete a CAP-related survey. We are encouraging our members to complete the survey! It can be accessed at <https://lanecocap.participate.online/>.

Please consider joining the Committee or just give us your thoughts on Rotary's new environmental initiatives. Please contact Committee Chair Dick Barnhart MD at ricbar2@mac.com.

Uganda Service Trip in January!

We are announcing the opportunity for club members to participate in teams that will be going to Uganda in January. As you know, our club has been working on an important international project to establish maternal and child health services in rural communities that have no medical resources. We have also undertaken a major project to repair broken well pumps and pipes restoring water to 32 communities serving thousands of people. The teams will give opportunities to see firsthand the impact of these and other Rotary projects. One of the two teams will include medical doctors, nurses, and support staff to provide medical assistance to communities served by the Rural Health Team, our partners in the Maternal & Child Health project.

The group is coordinated by Larry Rhodes from the Rotary Club of Eugene Airport (larryrhodes@gmail.com), who has been taking groups to Uganda for the past 14 years. Please let (Dennis? Bob?) or Larry know your interest and you will be invited to planning meetings to discuss further before any commitment is needed.

Start planning right now if you want to go on this outstanding service trip.
