January 28 Program - DG Rick Olson

Every world changing event starts with the passion of one person. Every amazing Rotary project starts with the hearts of club members. The key to Rotary is the passion of its members. In this ever changing world, how can Rotary help foster these aspirations and be flexible when interests shift? Join us for a very special luncheon featuring our very own DG Rick Olson as we find our heart in Rotary!

February 4 Program - Cross Laminated Timber

As the first U.S. certified manufacturer of Cross-Laminated Timber (CLT), D.R. Johnson (DRJ) is dedicated to showing the benefits of using this innovative building material. To accomplish this, DRJ has partnered with many academic institutions and industry leaders to showcase CLT and glulam's ability to withstand everything from seismic events to fire blasts. Founded in 1951, D.R. Johnson is a second-generation, family-owned wood products manufacturer located in Riddle, Oregon ♦ the heart of Oregon's timber country.
