Club of Eugene

Welcome to the Rotary Club of Eugene

Rotary is an organization of business and professional leaders united worldwide who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world. Rotary club membership represents a cross-section of the community's business and professional men and women. The world's Rotary clubs meet weekly and are nonpolitical, nonreligious, and open to all cultures, races, and creeds. [More info.....](#)

June 18 Program - Oregon Bach Festival

OREGON BACH FESTIVAL

The upcoming Oregon Bach Festival, which runs June 28 through July 13, continues the long-standing tradition of presenting the finest choral-orchestral works, extraordinary collaborations, and captivating community events. Executive Director Janelle McCoy will walk attendees through this year's festival. The Festival will feature celebrated conductors along with distinguished vocalists and

instrumentalists from around the world including world-renowned recorder player Matthias Maute and Grammy-winning organist Paul Jacobs.

We can't wait to see you at the 2019 Festival! More information can be found at www.OregonBachFestival.org.

June 25 Program - EUGnet High Speed Fiber Downtown

It has been a year since the city of Eugene began expanding EUGNet, the largest open-access fiber optic network in Oregon, into downtown Eugene.

Open access means the physical fiber network is owned by the public and made available for a fee to all Internet service providers, or ISPs, who want to use it to offer services. This is similar to how public roads work: where private trucking companies, freight services and pizza delivery, all with equal access to the same roads, deliver goods and services to your door. Open access is very different from the traditional model of Internet delivery, where ISPs own both the physical network and also provide their services on that network. Imagine if the pizza delivery company also owned the streets.

Funded by a mix of Downtown Urban Renewal property tax dollars, county money and private dollars, the EUGNet expansion goal was to support the region's burgeoning tech industry to create more high-wage jobs.

July 2 Program - Changing of the Guard

July 2nd will be our annual changing of the guard. Join us in saying "thank you" to outgoing leaders and "welcome" to the new!

Why are YOU a Rotarian?

Why did you become a Rotarian? What keeps you coming back? How does Rotary support your passions? What is your "two minute elevator speech" when people ask you what Rotary is all about? Send your stories to [Jennifer Schumann](#) for possible inclusion in the newsletter, facebook, and at meetings. Short and

sweet, a paragraph or less

"Having been raised with a strong sense of service, it has always been a passion of mine to make the world a better place. Through Rotary, I am able to increase my impact on the world with others who share this goal. I have made amazing

friends and can continue the legacy of Rotary by including my own children in service and fellowship."
