October 29 Program - Riverfront Development Project Update

The city of Eugene has been very vocal about the public park to be completed early in the Riverfront Development Project. Now hear from the developers their vision of how this crucial addition to community infrastructure will progressively fill in the other currently very vacant spaces.

November 12 Program - BRING Recycling

Carolyn Stein is the executive director of BRING Recycling, an entrepreneurial non-profit organization that doesn't "do" recycling at all. Rotary World Peace Conference

Your Club kicks off the 2019-2020 Oregon Rotary Model United Nation program!

As many of you may know, Rotarian leaders were active promoters and advisors during the establishment of the United Nations (UN) and Rotary continues to be a major partner with the UN (<https://www.rotary.org/en/history-rotary-and-united-nations>).

As a consequence of this early and long association between Rotary and the UN, members of our Club believed that a Rotary-sponsored MUN would be a natural fit for us. After two-plus years of work, we held the first Oregon Rotary Model United Nations (ORRMUN) this past spring at the Valley River Inn and Conference Center in Eugene. I may have some bias but we have reported to the Club that it was an amazing and fulfilling event. You can watch the videos we prepared about the ORRMUN at <https://eugenerotary.org/modelun/>. Those of us who had the privilege of working directly on the ORRMUN and with the student delegations will be forever grateful for the opportunity to do so.

We are currently recruiting and fund-raising for ORRMUN 2020, which will be held on April 18 and 19, 2020 at the Graduate Eugene Hotel and Conference Center in Eugene. We are respectfully asking you to consider the information provided in this email and then choose to take advantage of this exciting opportunity for students and Rotarians alike by supporting the ORRMUN. There are many options for your support listed below why not try ALL of them?!!

1) **Encourage** high school students (grades 9-12) to apply to participate. Application forms will go live in November and be due in December. Each MUN country delegation consists of two students and one adult advisor. We in Eugene have chosen to specifically recruit AVID students (advancement via individual determination) but any student who applies will be considered. We are aiming for 15 to 20 country delegations of two students each) but may exceed that number if we have sufficient funding.

2) **Become** a MUN advisor for a delegation. We need 15-20 advisors (one per delegation). Last year all advisors but one were Rotarians from our Club or the UO Rotaract Club, so being a Rotarian is not a requirement if you have a spouse, partner or friend who is interested. Advisors need to commit by December 15 as training will begin in January, and all advisors will undergo background checks (required by Rotary for protection of the youth we serve.) Advisors work with their students for 1-2 hours per week from mid-January through mid-April (or as needed) and then participate in the MUN conference as part of their country's delegation on April 18 and 19, 2020.

3) **Sponsor** a delegation. The cost of a delegation sponsorship (all hotel rooms, meals, materials for team of three) is \$1,200. Our Club has pledged \$6,500 to the event and additionally, we are using our 2019-2020 District Grant of \$4,000, including matching funds out of the \$6,500, for the event. Also, four of our awesome Club members have each personally contributed the entire sponsorship for a delegation, adding \$4,800.

4) **Observe** the MUN as a guest. Come to observe all or part of the speeches, debates and negotiations that are part of the MUN sessions. You will be inspired by our MUN student delegates.

We are very close to having our Oregon Rotary Model United Nations FAQs finalized and an application form ready online. Meanwhile, for inspiration and information, please go to <https://eugenerotary.org/>

modelun/ to view MUN 2019 pictures, two videos, two slide presentations and **get inspired!**

Please contact Jerry Harris if you have any questions. Please share this information with your friends and colleagues! We are working to grow the ORRMUN to include the entire Pacific Northwest region.

Best regards,

Jerry Harris

Food for Lane County a Huge Success!

Our club's monthly Food For Lane County volunteer night was a HUGE success on Wednesday night, due primarily to the overwhelming attendance of the University of Oregon Rotaract Club that we sponsor. A dozen Rotaractors attended making the work go quickly and adding to the camaraderie of Rotary at work. A Huge thank you to the U of O Rotaract Club members and their President Alexi Overland, for making this such a fun evening. Yes both of our Club's Presidents were in attendance (note Jennifer in her green rotary shirt in the middle), demonstrating that leadership makes a difference!!

World Polio Day

Thank you to everyone for your support! We raised \$458 for Rotary's polio eradication efforts on October 22nd. Thank you also to those of you who posted your photos on World Polio Day. Rotary's global update is posted on [youtube](#)

We Need YOU!

A special message from your President: one thing that I have learned during my short time as president is that our club does more than I really realized you are a generous bunch! All this activity does require many different areas to have a person or two who takes leadership. We do have a few areas where we are in high need of a person or two to lead or share leadership. We are in search of someone to coordinate Youth Exchange, to join the Artspark committee, and to serve as newsletter editor. We will also need people to step up to advise Rotaract and Interact when currently leaders transition out of these roles. Shoot me an email if you are interested in one of these roles or have questions, jennifergeller65@gmail.com

Rotary Core Values - It defines us as Rotarians

By Richard K Olson on Sunday, September 29, 2019

When we consider asking a person to join Rotary, what are the guiding principles of what we as Rotary are about? What would the ideal candidate represent for the Rotary club of today or even tomorrow? Our members should represent a quality of character and values that will grow Rotary. Our Rotary Core Values have been and should be our priority for how we recruit and invite potential members.

World Polio Day celebrated October 24

By Judith Corwin on Monday, October 14, 2019

Poliomyelitis, or polio, is a paralyzing and potentially fatal disease that still threatens children in some parts of the world. Poliovirus invades the nervous system and can cause total paralysis in hours. It can strike people of any age but mainly affects children under five. Polio can be prevented by vaccines, but it is not curable. Unlike most diseases, polio can be eradicated.
