The Metro Rotary Project Grants Committee makes recommendations to the Metro Club Board regarding service projects that the Club should fund. This is your opportunity to participate in the decision-making process for club service project funding. All Metro Rotarians are welcome to attend.

Metro Project Grants Committee Meetings 2020

?????

Eugene Metro Rotary Small Grants Policy

In addition to the service projects brought to the Eugene Metro Project Grants Committee, members may propose small project grants addressing an immediate community need (local or international), not to exceed \$250, to be funded by the club.

Announcements

Funds for Grants: Pending approval by the Metro Foundation, approximately \$7,000 is still available for grants. If you have an idea for a grant proposal, contact Paul Shang, who chairs Metro's Project Grants Committee.

At a club meeting in the near future, members will be asked for their ideas and suggestions for Metro fundraising in the age of Covid-19.

Observations from the Editor's Most Excellent Adventure:

1. Face mask wearing improves as you head from the West to the East;
2. Folks in their 30s and 40s with kids are more likely to wear face masks than those without and older folks;
3. Truckers are unlikely to wear masks at rest stops.
