Quote of the Week

"It would be easier to prophesy that man will go a
long way with science than to prophesy about how
far he will go in character. "

Eugene Metro Rotary Small Grants Policy

In addition to the service projects brought to the Eugene Metro Project Grants Committee, members may propose small project grants addressing an immediate community need (local or international), not to exceed \$250, to be funded by the club.

At our October 13 meeting with DG Cindi O'Neil, she recognized **Paul Shang** as a **Rotary Hero** for his outstanding service in chairing the Project Grants Committee and shepherding our club, district and global grants.

Election Day, November 3: No club meeting. **VOTE!**

The next board meeting has been scheduled for **Wednesday, November 11, 5 pm** via Zoom.

Note from the Editor: October 17, the date of today's newsletter, is also the 115th anniversary of the October Manifesto issued by Tsar Nicholas II. It held out the unrealized promise of democracy and figures prominently in my book *The Crisis of Russian Autocracy: Nicholas II and the 1905 Revolution*, soon to be a major motion picture.
