### **Eugene Metro Rotary Small Grants Policy**

In addition to the service projects brought to the Eugene Metro Project Grants Committee, members may propose small project grants addressing an immediate community need (local or international), not to exceed \$250, to be funded by the club.

## **Announcements**

**Funds for Grants:** Pending approval by the Metro Foundation, approximately \$5,800 (revised!) is still available for grants. If you have an idea for a grant proposal, contact Paul Shang, who chairs Metro's Project Grants Committee.

At a club meeting in the near future, members will be asked for their ideas and suggestions for Metro fundraising in the age of Covid-19.

### **Observations from the Editor's Most Excellent Adventure:**

1. This week's newsletter is one day early because the editor expects to be off the grid for a couple of days;
2. If mask-wearing is a political signifier, the polls for the upcoming presidential election are completely off-base;
3. There is beauty in nature everywhere, but whereas the familiar beauty warms my heart, the unfamiliar awes me.

**Wednesday, August 5, 5 pm:** Next Metro Board meeting via Zoom
