### **Eugene Metro Rotary Small Grants Policy**

In addition to the service projects brought to the Eugene Metro Project Grants Committee, members may propose small project grants addressing an immediate community need (local or international), not to exceed \$250, to be funded by the club.

## **Announcements**

**Metro's own Dr. Lisa Price**, a professor of anthropology, will present August 4th on the Biological and Cultural Construction of Race. Her background makes her uniquely qualified to share her expertise and insight on this topic. She regularly teaches a course at Oregon State University on this same subject. Her international work includes consulting for scientific organizations and presenting at conferences on various aspects of diversity in education.

**Funds for Grants:** Pending approval by the Metro Foundation, approximately \$5,800 (revised!) is still available for grants. If you have an idea for a grant proposal, contact Paul Shang, who chairs Metro's Project Grants Committee.

At a club meeting in the near future, members will be asked for their ideas and suggestions for Metro fundraising in the age of Covid-19.

**Wednesday, August 5, 5 pm:** Next Metro Board meeting via Zoom
