Small Grants Policy:
At our weekly meetings, members may propose for immediate approval by those present small grants addressing an immediate community need (local or international), not to exceed \$250, to be funded by the club.

TRF: Let's make 2021-22 the year in which **every** member contributes at least **\$100** to The Rotary Foundation.

Become a sustaining member through automatic monthly credit card payments. It's so easy and won't cost you more than the equivalent of 2 lattes a month. Remember, **TRF is the "bank" that makes Rotary International possible.**
