The Four Way Test:

This test can be applied profitably in relations with others in the home, community, business, national and international life; particularly to proposed plans, policies, statements and advertising in business and the professions; to proposed legislation in government to relations between teachers and students in schools.

The Four Way Test... Of the things we think, say and do,
1) Is it the TRUTH?
2) IS it FAIR to all concerned?

Rotary

Message from the President:

Reminders:

First, a quick reminder that we are NOT meeting at the Fair Expo this coming Monday as they are getting ready for the Linn County Fair. Instead, **we are meeting at Kelly Dufour's Neighborhood Church at 2815 Pine Street SE in Albany.**

Next, we have an exterior painting service project with ServeINC this Saturday, July 13th, from 8am to 1pm at Calapooia Middle School. Volunteers will get a free lunch at noon and John Kollaer has promised coffee and doughnuts. I have attached a flyer with more details.

Also on Saturday, the Quarterly Grants meeting is from 9am to 3pm at the PeaceHealth RiverBend Annex, 123 International Way, Springfield, OR 97477. If you want to discover how to build funds for a service project you have in mind, whether it's local or international, this is a great place

3) Will it build GOODWILL and BETTER FRIENDSHIPS?

4) Will it be BENEFICIAL to all concerned?

to start. It's both free and inspiring as you will meet Rotarians from all over our District talking about their current, past and upcoming projects.

Sarah Steen has asked me to remind you that American Discovery still needs host families for the students from France. The commitment time is short term (July 12th - August 1st) and both Sarah and Kevin Manske's families are hosting. See Sarah or Kevin for more details.

Last Meeting:

We had a fun meeting this week with our presenters, Team 957 SWARM, the South and West Albany High Schools combined robotics team. Emma, Melissa, and River along with their Team Mentor Robin, did a great job of talking about their robot, the process of building it, the competition they just finished and sharing videos of their robot in action. Emma, Melissa and River are graduating this year and all three are going on to higher education continuing what they have learned from the robotics team. Unfortunately, they have recently lost their space and need a temporary one until their new space at West Albany is completed so I've attached their flyer detailing their space needs in case you or anyone you know can help them.

The Rotary Five Minute was presented by Bill Clotere who updated us on DACdb and eClubs.

Thank you to Steve Matthes and Jessica for providing the two door prizes this week, blueberry wine and the Blue Zones book, and Brian Oare last week, a working wooden truck holding two jars of Oregon jam. The winners to date are Dave Pautsch, Brian Oare and Adam Bingham! If you are interested in donating door prizes, we are looking for items around \$10 and will give you and/or your business a public thank you during the meeting. The weekly drawing winner was Sam Williams but as he wasn't there, it rolls over to next week!

Next Meeting:

Greeters: Chuck Beeler, Adam Bingham and Hannah Blicher

Invocation: John Kollaer

Five Minute Foundation presentation: Foundation Committee

Speaker: Kirk Richardson, author of "Craft Beer Country". He is based here in Albany and his presentation is titled "Lessons Learned on a Craft Beer Book Journey". A few of our local breweries are in the book, including 3 Sheets in Albany and Flat Tail in Corvallis. He's had over 20 book signing events so far, including B&N at Bridgeport Village in December. The book was released October 23, 2019 by Mascot Books.

Have a wonderful week and see you next Monday, July 15th at Neighborhood Church!

Jessica Pankratz, President

2019-2020 In-bound Student will be announced in late summer:

2019-2020

For further information, please contact Alex Patterson at 541-220-1867

Thanks!
