Todd Kepple, Klamath County Museum Director

Program Chair: Chris Moudry

Next Week Program:

Shut Down and Fed Up March May 29th

Scott Seus Klamath Project Farmer

Program Chair: Dan Keppen

District 5110 offered a Grant for "Homeless and Home Bound in need of food and sanitation supplies". Klamath County Rotary and Sunrise Rotary used their grant money to support the Gospel Mission totalling \$751 from District. Klamath Rotary donated \$2000 and was enhanced by another \$1550 from members totalling \$3550. Kent Berry was very thankful for our financial help.

???????

Years of Service

Don Boyd - 54 Years

Ralph Eccles - 16 Years

Dick Ford - 5 Years

Irene Jeassen - 17 Years

David Shute - 1 Year

Jenine Stuedli - 13 Years

Heather Tramp - 3 Years

Klamath Cares Klamath Reads will not be held due to Covid 19 issues. However, Cec Amuchastegui, Amy Boivin, and Tori Hally have ordered and recieved the books for 830 1st graders that will be distributed by their teaches in early summer. John Jorgenson called Cec and said he is making a video for the 1st graders telling the story of his wifes quest for childhood litericay. His heart is with Klamath Rotary in that we were the first Rotary in 2001 outside of Wyoming to support literacy for youth in this way.

Planting North Entrance sign flower beds will take place Thursday May 28th at 5:00 PM. Jerry Molatore says to bring gloves and a trowel. He needs about 6 people. Cold adult beverages will be available

Rotary Scholarship Committee is working hard to award 12 scholarships. They recieved 38 applications of well qualified and amazing students from Klamath County

Centennial Project Challenge Tom Schiess and AJ Haida have worked on the South Entrance sign getting it ready for its new face lift.

Upcoming Events: The Klamath County Fair and 4-H/FFA Animal Auction will take place August 2. Due to the Covid 19 and the Governors shut down, we don't know what form the Fair, Auction, or Dinner sponsored by Rotary will take. This is our biggest event of the year and the Auction Committee has met once and ZOOM met twice. All the uncertainty makes it hard to plan. All the 4-H kids have put hundreds of dollars into their project animals without a clear path forward. Certainly they will need help.
