May 28th flower bed planting at Klamath Falls North Entrance sign.

Patty and John Barsalou, Jim Witt, Ron Hathaway, Jim Calvert, Jerry Molatore, Matt Hurley, Neal Eberlein, John Novak and Chris Moudry spent 1 hour planting the flower beds at the Klamath Falls North Entrance sign. The Welcome sign, donated to the City by Rotary in the late 1980's, was repainted and with the flower beds and trees maintained by Rich Bogatay, the area is a great first impression to Klamath Falls.

Klamath Cares Klamath Reads was to be held on June 4th, but has been cancelled due to Covid 19. However, Cec Amuchastegui, Amy Boivin, and Tori Hally have ordered and recieved most of the books for 830 1st graders with some being delayed with shut down issues. The hope is still to have the 1st grade teachers distribute the books to their 1st grade classes before they start their 2nd grade year.

Centennial Project Challenge: Tom Schiess and AJ Haida have worked on the South Entrance sign getting it ready for its new face lift.

4-H/ FFA Auction August 2nd: Governor Brown has cancelled all Oregon fairs. But, due to the innovative culture of our Fair Board, we now have the "4-H & FFA Youth Agricultural Show and Sale". Due to Social Distancing requirements, the traditional Buyer Dinner will not happen. Norm Small of Yummy's has indicated that he can do a meal consisting of a tri-tip sandwich, beans, coleslaw, and chips or just individually wrapped sandwiches. Due to limited seating, the sandwiches should be taken to the buyers auction seat. The liquor concession is also yet to be determined. The sale will start earlier at 11:00 AM due mainly to how slowly the sale may proceed. The confined sale area of animals and bidders under social distancing spreads the bidders throughout the grandstands and maybe into the concrete runway area. Due to the spreadout nature, many more Spotters and Catchers (those actually getting signatures and processing instructions) will be needed. All our traditional jobs at the auction will be altered and we ask that everyone make themselves available on August 2nd to make this auction a success for the 4-H youth that have worked hard and spent good money on their project animals.
