## Rotary in Africa...

There are more than 11,000 Rotaract clubs worldwide; one of them is in a refugee settlement in Africa. Founded in 2016 in Nakivale a huge rural camp in southwest Uganda where about 150,000 people live in more than 75 villages spread across an area roughly the size of Kolkata the club has members from half a dozen African countries. Nakivale is like a mini-United Nations, says Paul Mushaho, the club's co-founder. People have fled their homes because of war and had trauma on the way here.
