4-H/FFA Youth Agricultural Show and Sale. August 2 was a great day for the Klamath Basin Youth. Months of planning and adjustments and readjustments by Traci Reed and the OSU Extension, the Fair Board and employees, and Rotary were the results of the Governors ever changing Covid 19 guidelines. It all resulted in a buyers pool that was willing to support one of the premier youth programs in the Klamath Basin. With all our help, the sale raised over \$850,000....a new record. I was told multiple times and from varying individuals how they appreciated Rotary supporting them in these trying times. One individual said "you could have just folded under the pressures." Another said "before the sale started he was nervous and yet hopeful, but it turned out better than his wildest dreams." Thank you all for your help and being part of this great event. Supporting youth is why many of us are in Rotary.

The **Steak Fry** is being planned by Guy Jakubowski and Dave Carlson. It will take place on Saturday August 15th at the Yacht Club. Stay tuned for more info.

AJ Halda is working on some other social events. An evening out after work is always fun. Contact AJ with any ideas.
