## Club of Medford Rogue

### August 18 Blood Drive

◆ Together, we see a world where people unite and take action ◆◆

Dear Rotarian,

That is the opening line of Rotary's Vision statement and speaks to each of us during these unprecedented times. Our Rotary Clubs have been actively responding to the challenge of the Covid-19 Pandemic and have completed a number of community service projects - including a Rotary Blood Drive on May 5th.

The Red Cross was pleased with our Rotary Blood Drive of May 5th and asked us to do another Rotary Blood Drive on August 18<sup>th</sup> because the need for blood products continues.

We are asking Rotarians of the Rogue Valley to again unite and take action to help obtain those needed blood products. On August 18<sup>th</sup> from 11-4pm a Rotary Blood Drive is scheduled for members of the 10 Rotary clubs in Southern Oregon and their families and friends.

This is a great way to engage our members, do something positive for our community and build the Rotary Brand in the Rogue Valley. *We invite you to be a part of this shared service project.*

The lead club is Medford Rogue and the main contact for questions is Gary Newland.

Please join us in making the Rotary Blood Drive of August 18<sup>th</sup> a success.
