Program: Kid-Time♦s move to the Carnegie Library

Rotary Blood Drive- August 18th:

Gerry Burns to lead this Rotary event scheduled for August 18th. There is a need for eight volunteers for a ♦ day commitment. Please contact Gerry (gwburnscpa@gmail.com) if you wish to volunteer or donate your blood.

Kid Time Pirate Ship:

Kid Time is on the move to its new location at the Carnegie Building and the pirate ship needs new port of call. Kid Time has a partnership with Medford School District to provide the early childhood development for Jackson School. This relationship has expanded to where KT is now the largest private Preschool Promise program in the State. Medford Rogue Rotary has built two playgrounds at Jackson School, but preschooler can♦t access either of them due to age separation requirements. What the preschoolers need is a playground for their own and our pirate ship has found a new port. The ship has been dismantled and is ready to reassemble at its new location-Jackson School. This provides another great opportunity for our club to help the children of our area. Date of assembly-TBD. Contact Andy Batzer (andy@jbsteelinc.com) to get your name on the volunteer list for the upcoming project.
