

Rotary

Club of Medford Rogue

July 22 Communicator

John will be opening up the room at 11:30 and setting it to automatically move people into a breakout room of 6 people so that they may socialize a bit before the meeting. He will be pulling all people out of the rooms at approximately 12:05 PM.

Today's Program

Speaker: Senator Jeff Golden

Topic: Oregon Legislature- Special Session(s) and policies of interest

Last Week's Program (07/08/2020)

Bill Ihle, Consumer Credit Counseling Service. Wait That Can't Be My Credit Score!

Bill informed us of the great work Consumer Credit Counseling Service does in Southern Oregon. It is the only community based non-profit governed by a volunteer board of directors serving the community for over 40 years. In that time they have served over 30,000 families and returned more than \$35 million dollars to local and national creditors through debt management programs. In addition they have presented thousands of educational classes to help people learn more about managing their money. Consumer Credit provides confidential credit counseling, personalized debt management plans, comprehensive credit reports and scores, pre-filing bankruptcy counseling, individualized housing counseling and much more.

Upcoming Meetings:

July 22- Speaker: Sunny Spicer

Program: Kid-Time's move to the Carnegie Library

August 5-Speaker: Buss Thielemann and Scott Perry

Program: Pearly Fathers

Rotary Blood Drive- August 18th:

Gerry Burns to lead this Rotary event scheduled for August 18th. There is a need for eight volunteers for a day commitment. Please contact Gerry (gwburnscpa@gmail.com) if you wish to volunteer or donate your blood.

Kid Time Pirate Ship:

Kid Time is on the move to its new location at the Carnegie Building and the pirate ship needs new port of call. Kid Time has a partnership with Medford School District to provide the early childhood development for Jackson School. This relationship has expanded to where KT is now the largest private Preschool Promise program in the State. Medford Rogue Rotary has built two playgrounds at Jackson School, but preschooler can't access either of them due to age separation requirements. What the preschoolers need is a playground for their own and our pirate ship has found a new port. The ship has been dismantled and is ready to reassemble at its new location-Jackson School. This provides another great opportunity for our club to help the children of our area. Date of assembly-TBD. Contact Andy Batzer (andy@jbsteelinc.com) to get your name on the volunteer list for the upcoming project.
