### President's Message

By Bruce K. Webber

Mariska Hargitay ♦ ♦ Healing takes time and asking for help is a courageous step ♦.

At last week ♦s meeting, Dan Buckwald shared the history and mission of the Veterans Legacy Camp. Veterans Legacy ♦s mission is to provide a safe, secure place in a rural setting for local veterans encountering homelessness, post-traumatic stress disorder and substance abuse disorders to live and work as they begin the journey back to successfully reintegrate into the community. As a result of this presentation several Rotarians requested an opportunity to tour the camp. We will be working with Dan to schedule a date for a group tour and to discuss potential opportunities for Rotarians to provide volunteer support. We have placed so many projects on hold recently that it is exciting to have potential to support such an important and well thought out mission. If you missed the meeting and would like to know more about the Veterans Legacy Camp please visit their website at <http://www.veteranslegacyoregon.org/>. More information regarding a group tour will be available to all Rotarians once details are established.

Speaking of opportunities to provide volunteer and financial support, the budget has been finalized and approved by the Board. I am pleased to share that both the Service Committee and Youth Service Committee have been allocated money to fund projects in our community. They will be looking to club members to help identify projects to focus on this year. Please watch for more communication from these committees.
